Current Business -

The board agreed that the August meeting of the Library Board meeting would be canceled as this is regularly a time when people are on summer vacation.

2025 Board Goals and Strategic plan

Mark announced that the community survey about the library's strategic plan is live on line. 25 responses have been received so far. The goal is to have the new SP ready for implementation by the end of the year. The SP should not be dependent on any feature(s) of the new build, but will be future-looking. The board discussed ways to promote the survey to increase response rate through the end of July, including a link to the survey in all forthcoming library and borough newsletters and having a paper survey at the front desk and asking staff to encourage patrons to complete it. Additional community input will be gathered through in-person focus group(s) in September or October. Requiring advanced registration for the focus group will enable the group to communicate goals and to set expectations for the meeting.

Sarah, Julian, and Jobi agreed to assist Mark with additional work on the strategic plan.

Director report

Bill gave a summary of events and activities. The Friends of the Library spring raffle basket brought in \$195. The History of the Nile Swim Club event had 27 attendees, which was short of expectations; however the event was competing with Pride and No Kings Rally. Eagle Eye is providing free eye exams and glasses tomorrow. The library is partnering with Friendship Circle Senior Center to develop a Memory Cafe. They will also present an Aging at Home event in August.. Summer Reading Kickoff event with Robin Hood Productions is on June 20.

The library is feeling the impact of tariffs and has been slow to receive book orders.

Council Report

There was no council report given as Will was not present.

Ad Hoc Building Committee

No meetings have been scheduled for the Ad Hoc Building Committee. The design was approved at the May 14 Borough meeting, giving the library permission to seek funding for the new building. Will is

looking into the boundaries and parameters for the library and the borough for the funding opportunities to avoid conflict of interest and/or overlapping asks.

Other Topics

Mark asked whether the dismantling of IMLS (Institute for Museum & Library Services) has impacted our library. Bill said that our funding is not currently in jeopardy, but there may be pressure later from the Interim Director.

Jobi congratulated the library on an outstanding table at the Pride Festival. The table included make your Pride buttons and books featuring LGBTQIA+ authors and content.

Next Board meeting

The next meeting will be on Tuesday, July 15 at 7:30 in the Bany room. There will be no meeting in August.
